

NOMENCLATURE OF DEGREE/DIPLOMA COURSES

Attention of the candidates is drawn to the fact that Nomenclature of certain Degree/Diploma courses have been merged in the matrix 2015 displayed on www.mcc.nic.in for their convenience

Ex. MD (Dermatology) has been used for representational purposes for all Degrees being awarded for PG courses in Skin specialty. Various States/University may have different nomenclature like MD(Venerology & Leprosy/ Skin Veneral Diseases etc) for the same specialty.

Similar Nomenclature has also been used for other specialties also.

Hence candidates are advised that they may confirm from the college authorities the nomenclature under which they will be awarded Degree/Diploma for their subject choice.
