

NOTICE

It is to inform you that the Post Graduate Seats which were increased this year by issuing LOP (letter of Permission) dated 28/2/17 by MOHFW as per the scheme pursuant to the revision of student teacher ratio vide notification dated 31/01/17 by MCI will be included as when the participating Medical colleges contribute 50% seats to All India Quota.

The seats which have been increased and are still in process of being issued fresh LOPs will be taken up in Second round of All India Counselling for the academic session 2017-18 itself once they are contributed by participating colleges to MCC (Medical Counselling Committee).

A letter asking to contribute 50% PG seats as per New LOP has already been issued to all Participating Medical colleges of the country.

It is important to mention that Second round of AIQ will have fresh choice filling wherein all candidates can exercise fresh choices including new LOP seats from this academic session 2017-2018 itself.
