### **URGENT ATTENTION:**

### **The Participating Institutes of SS Counselling 2020 to take note of the following points regarding Reporting:**

In this regard, it is stated that colleges are required to check the following documents of the candidates during Reporting.

#### **Essential Documents:**

- Provisional Allotment Letter issued by MCC
- Result/Rank Letter issued by NBE
- MD/MS/DNB Degree Certificate in the concerned Specialty.
- High School/Higher Secondary Certificate/Birth Certificate as proof of date of birth.
- Candidates allotted seat must carry one of the identification proofs (ID Proof) to the allotted college at the time of admission (as mentioned in the information Bulletin published by the National Board of Examinations (NBE) for NEET SS: 2020 i.e. PAN Card, Driving License, Voter ID, Passport or Aadhar Card).

#### **Desirable Documents:**

- Admit Card issued by NBE
- MBBS Degree Certificate/Provisional Certificate
- Permanent Registration Certificate of MBBS/MS/DNB issued by MCI or NBE/State Medical Council.

In case any allotted candidate is not able to provide the above essential documents, the seat of the candidate will be deemed to be 'cancelled'.

2. By default, the reporting for Round-1 & Round-2 has to be 'PHYSICAL'. However, only in extremely exceptional cases where the reason of the candidate is found to be genuine, decision can be taken by the college authorities after approval from MCC, to allow the candidate for Online Reporting after verification of required documents online. However, the onus of seats remaining vacant/ seat blocking in case online reported candidates do not join physically will be on concerned college. Therefore, colleges are advised to ensure that only genuine candidates be allowed for online reporting.
