GOVERNMENT OF INDIA
DIRECTORATE GENERAL OF HEALTH SERVICES
MEDICAL COUNSELLING COMMITTEE
NIRMAN BHAWAN, NEW DELHI-110108

Ref. U-12021/44/2019/28-MEC

Dated: 06-05-2020

NOTICE

Attention Candidates :

MCC of DGHS is receiving some of the grievances/clarifications with respect to allotment of Candidates who have passed MBBS from State University other than I.P. University during Round 1.

In this connection it is important to mention that MCC allots the seats based on the self-certification of candidates during Registration due to which there are chances that Candidates who are not eligible for I.P. Institutional Quota may inadvertently register themselves as I.P. students and the software allots them the seats on their claim.

To prevent such scenario from Round-2 onwards MCC will forward the database of I.P registered candidates to the University to verify and provide the list of eligible candidates to MCC so that seat allotment may be made only to genuine candidates (copy enclosed).

Candidates are advised to confirm their eligibility before applying for the State/ Institutional Quota of I.P University. For more information candidates can go through the Important Questions related to the scheme of counselling duly uploaded on the MCC website in the Counselling Scheme.
