

NOTICE

All the participating candidates of Online Post Graduate (MD/MS/MDS and Diploma) courses counselling: 2018 are hereby informed that MCC/DGHS is in the process of refunding the security amount/tuition fee submitted by the participating Post Graduate candidates as per their eligibility.

Earlier, during the course of refund for All India Quota candidates (not allotted category), it was observed that few of candidates have not received their refund amount in spite of name in refund list.

Keeping in view the above fact, all candidates whose refund is due are advised to recheck their Account Number/Bank IFSC code/ Branch name entered during the registration process at MCC website. This is important as refund of amount is to be credited to account provided by the candidate at the time of registration.

Candidates may check their account details and if found incorrect are advised to make necessary changes in their accounts details by login to their profile (link: <https://mcc.nic.in/PGCounselling/LoginChoice/Login>) by 28th June, 2018 till 5:00 PM.

Note: MCC/DGHS will not be responsible for discrepancy in refund amount if any due to incorrect details provided by the candidate.
