

## **ATTENTION CANDIDATES**

MCC is receiving lot of queries regarding change of category which they have registered at the time of Registration on NBE website e.g. the candidate has registered himself/herself as OBC/SC/ST/PH at the time of registration on NBE website and now they want to change the category to UR category.

In this regard the students are advised to continue to register on MCC website in the same Data or Format which they entered on NBE website. If any of such candidate is allotted a seat under OBC/SC/ST/PH the facility for change of category is available at the reporting module of college. In such a scenario the allotted reserved seat will be cancelled and the candidate will be considered as UR for subsequent rounds of counseling. However it may be noted that the category cannot be changed from UR to SC/ST/OBC/PH.
