

Notice – About Joining of the Candidate

All candidates allotted seat in Medical/Dental college are informed that they must report for admission at the earliest, along with all required documents, fee etc., and should not wait for last date of admission. Candidates may contact the competent authority of Medical/Dental college to know the requirements at the time of admission.

Candidate must ensure that her/his details are filled in on prescribed MCC software and the admission letter is generated from the MCC software. The candidate must collect duly signed admission letter generated through MCC software.

The candidates and college authorities may please note that unless candidates' admission letter is generated from the MCC software, s/he will not be considered as joined candidate by the MCC software. Failure to register candidate on MCC software as joined and generation of admission letter will result in non-joining of the candidate and such 'vacant seat' will be allotted to other candidate in subsequent round.
