NOTICE

Cut Off Date for Internship Completion :

The cut off date for Internship Completion for PG Courses is considered invariably as 31st March of each academic year. However, this year since candidates could not complete their internship timely due to ongoing Covid pandemic, National Medical Commission has extended the cut off date for completion of internship till 30.09.2021.

Hence, this year the cut off date for completion of Internship for Under Graduate courses will be considered as 30.09.2021 and all candidates who have completed their MBBS intership by 30.09.2021 will be eligible for participating in NEET PG Counselling 2021.
